We answer some common questions

Q Are there many forms to complete?
A There is no paperwork at all – no forms to fill in, no assessments or credit checks to go through. It's all done online by your trained Motability dealer.

Q Will anyone want to check my physical condition?
A No. There are no assessments of any kind. Provided you have at least 12 months left to run on the Higher Rate Mobility Component of the Disability Living Allowance, you are eligible.

Q Do I have to be a driver?
A No. You don't have to drive to lease a car on the Scheme – you can nominate up to two drivers.

Q What if I need my car adapted?
A A wide range of car adaptations are available, many at no extra cost. If you'd like more information, please call us and ask for our free guide to adaptations 'Make it Yours'.

Q I have a good no claims history, can I carry this forward if I left the Car Scheme in the future?
A The Scheme insurers, Royal & SunAlliance Motability, are able to provide confirmation of the claims history on the policy.

Q Will the dealers understand my needs?
A All dealers on the Motability Car Scheme have to go through special training to make sure they understand the needs of people with a disability. Many people comment on how friendly and helpful the dealers are.

Q I have chosen the car I want, what should I do next?
A Once you've chosen a car that suits you best you'll need to place an order. You'll need to take just three things to the dealership: your driving licence (and/or the licences of your nominated drivers), your letter of award entitlement and proof of your address (such as a recent utility bill). Your dealer will take care of everything else.
