We chose independence

You can use your mobility allowance to lease a car, scooter or powered wheelchair on the Motability Scheme.

“ I can go out in my car knowing that I’ve got back-up if a problem arises. Allen ”

What is the Motability Scheme?

The Motability Scheme enables you to lease a new car, scooter or powered wheelchair without the worry of owning and running one.

You use your government-funded mobility allowance to join the Motability Scheme and all or part of the allowance is transferred for the duration of the lease. You can apply to join the Scheme if you receive one of the following:

- ✓ Higher Rate Mobility Component of Disability Living Allowance (DLA)
- ✓ Enhanced Rate of the Mobility Component of Personal Independence Payment (PIP)
- ✓ War Pensioners’ Mobility Supplement (WPMS)
- ✓ Armed Forces Independence Payment (AFIP)

“ Now I can get to my hospital appointments without the worry of how I will get there. Namik ”

Cars and Wheelchair Accessible Vehicles (WAVs)

With the Motability Scheme you can lease a car for three years or a Wheelchair Accessible Vehicle (WAV) for five years.

Vehicle adaptations are available through the Scheme to help with vehicle access, equipment loading and driving.

Even if you do not drive, you can nominate somebody to drive the vehicle on your behalf, as long as the vehicle is used for your benefit. This means that parents and carers can join the Scheme on behalf of a child aged three and above.

What's included?

The lease of a new vehicle with:

- ✓ Insurance
- ✓ Servicing and maintenance
- ✓ Full breakdown assistance
- ✓ 60,000 mileage allowance over three years for standard cars: 100,000 for WAVs
- ✓ Window and windscreen repair or replacement
- ✓ Many adaptations at no extra cost
- ✓ Replacement tyres
- ✓ Vehicle tax is arranged annually

You either pay your total weekly allowance or part of your weekly allowance to lease a vehicle, depending on the car you choose. For more expensive vehicles, you will need to top-up your allowance by paying an Advance Payment (AP). You can see the full range of cars available through our online car search at motability.co.uk/cars

In some circumstances, you may be eligible for financial help towards Advance Payments, adaptations, WAVs or driving lessons. For more details, please call **0300 456 4566**.
