

Test drive checklist

Test drives are the best way to decide if a car is right for you, so we've devised this handy checklist. You can use it to score how well the car fits your needs within each of the following categories. Print out this checklist for each car you test and compare scores to see which one will suit you best.

Getting in and out

Opening and closing the door

Seat height and adjustment

Headroom

Reaching for the seatbelt

Visibility

Driving around town

Options fitted as standard

Comfort of ride

Reversing

Parking

Boot space

Loading the boot

Total score
