The easy way to the car of your choice

With the Motability Scheme you can simply exchange all, or part of your mobility allowance, to lease a brand new car from a huge choice of latest makes and models. Today over 600,000 customers up and down the country enjoy the options and independence the Scheme brings.

Every lease is all-inclusive, which means everything listed on the left is in with the price you pay. So the only running cost you have for your brand new car is fuel.

Our standard lease is over three years and payments are simply deducted from your higher rate mobility allowance every four weeks and paid directly to us by the Department for Work and Pensions (DWP).

At the end of your lease you have the option to simply hand your car back, or if like most customers you choose to stay with us, you can just pick a new car and take out another lease.

Who we are

We are Motability Operations Ltd, a company authorised and regulated by the Financial Conduct Authority. All Motability Scheme vehicles are leased to customers by us.
Get started at motability.co.uk

→ Explore... our large choice of the latest cars and prices

→ Visit... a Scheme specialist at a dealership near you

→ Enjoy... driving away the new car of your choice
On our ‘Find a Dealer’ tool, if you have a manufacturer in mind, you can select from the list of leading car brands.

Enter your postcode or town and the nearest dealers will be listed, with details of accessibility.

Contact the dealerships and book appointments with their Motability Scheme specialists to view cars and take test drives.

On delivery day you’ll be given a guided tour of your new car and once you’re happy, you’ll simply sign the agreement and off you go.

Your dealer along with our Scheme partners RSA, RAC and Kwik Fit, will be there to support you throughout your lease should you need them.

In three years’ time, you can choose your next car before handing back your current one, should you decide to remain on the Scheme.

The specialist at your chosen dealership will complete your order for you. They will arrange the delivery date for your new car, and let you know what you need to bring when you pick it up.

Our easy online ‘Car Search’ will help you find the types of cars you’re particularly interested in. Follow the steps on the right to explore our very latest car range at motability.co.uk/cars.

At our dealerships trained Motability Scheme specialists are on hand to offer expert advice. Follow the steps on the right to find dealerships near you at motability.co.uk/findadealer.

On ‘Car Search’ select your mobility allowance.

Choose the manufacturer you want and the models you prefer.

If you’re looking for something specific, you can narrow your search even further by engine size, fuel types, number of seats and more.

Click ‘find cars’ to see your search results.

Allowance which will continue to be paid to you by the Department for Work and Pensions (DWP). This amount is based on the current weekly allowance rate of £59.75 and will increase if the DWP makes its annual allowance increases (usually in April). Prices for cars shown in blue and red mean that all of your weekly higher rate mobility allowance, including any increases, is paid to Motability Operations Limited. All MPG figures quoted are combined, indicative figures and do not necessarily represent real driving results. Motability Operations Limited is authorised and regulated by the Financial Conduct Authority.
An affordable way to lease a new car

Every three months we negotiate prices with the leading car manufacturers, to make sure we are always offering a wide range of makes and models at affordable prices.

Whatever car you choose, insurance, breakdown and maintenance are included with every lease, which means the choice is huge and so are some of the savings.

You could save up to £6,800 when you lease this car through the Motability Scheme

You choose who drives

You don’t have to drive to lease a car through the Scheme. Many of our customers don’t drive. That’s why the insurance with your lease is for up to two named drivers. So your car could be driven by a family member, friend or carer, it doesn’t have to be you.

As with most car insurance, there are some restrictions in terms of convictions, endorsements and drivers aged under 25. For more information about who can drive your car, go to motability.co.uk/drivers.

Right car, right choices

You choose the car and how much you want to spend, whether that’s less than your allowance, the same as your allowance, or a car that costs the same plus an Advance Payment. Then it’s up to you who drives, and it doesn’t have to be you. Also, if an adaptation could help, lots of our most popular choices can be fitted at no extra cost at the start of your lease.
Could adaptations help your driving experience?

Adaptations could make travelling easier. We offer options to help with driving, accessing your car, or storing a wheelchair. Many are available at no extra cost if fitted at the start of your lease and in most cases are fitted so that your named drivers can continue to use the standard controls.

It’s not just cars you can lease on the Scheme

As well as new cars you can also lease a wide range of wheelchair accessible vehicles, scooters and powered wheelchairs through the Motability Scheme, with the same all-inclusive package you get with a car.

You can request brochures and find out more about small, medium and large scooter models and powered wheelchairs at motability.co.uk/scooters and for wheelchair accessible vehicles visit motability.co.uk/wavs.

You can request a brochure and find out more about adaptations and the type of help they provide at motability.co.uk/adaptations.

It’s time to take a test drive

Visiting dealerships means you get to see the cars up close, speak to trained Motability Scheme specialists and importantly, you can arrange test drives. You will be able to discuss all of your requirements in detail and be given expert advice about good options for you.

Trade-in your old car

Lots of Motability Scheme dealers offer trade-in facilities for your old car. This could help finance the Advance Payment or optional extras for your new car.
At your chosen dealerships you’ll be able to take test drives, which are by far the best way to make sure that a particular model is exactly what you want. If you don’t intend to drive yourself, take a family member, friend or carer, who’ll be able to take test drives for you, when you visit.

With over 5,000 dealerships up and down the country, there’s bound to be one or more near you. Go to our online ‘find a dealer’ tool, choose your preferred manufacturer, then just enter your town or postcode to display a list of those close by. Visit motability.co.uk/findadealer.

Alternatively, don’t hesitate to talk to us now on 0800 093 1000 and we’ll gladly guide you through the options, locate your local dealerships and make arrangements for you to visit.
Eligibility checkpoint

If you receive any of the allowances below, and have at least 12 months remaining on your award, you are eligible to apply to join the Scheme, even if your award does not cover the full length of the lease. Or if you are the parent or guardian of a child aged three or over, who receives the allowance, you qualify too.

Allowances are awarded by either the Department for Work and Pensions (DWP) or Veterans UK. If your allowance is due to end during your lease you’ll need to ensure you complete the relevant paperwork for the Department for Work and Pensions on time. If you are not successfully reawarded, your agreement will end and we will work with you to return the vehicle and your lease payments will end.

A few simple rules
In general terms our rules focus on the car, being used by, or for direct benefit of, the disabled customer. Your dealer will talk you through all you need to know as part of your application, or you can find more details at motability.co.uk/useofcar.

Important notes about PIP reassessments

If you currently receive Disability Living Allowance (DLA) and are invited for reassessment, as long as your application for the Enhanced Rate of the Mobility Component of Personal Independence Payment (PIP) is successful, you will still be eligible to apply to join the Scheme.

If the Department for Work and Pensions (DWP) has already invited you to apply for PIP reassessment, you will need to wait for the outcome before considering whether to join the Scheme.

If you become a customer, then lose your allowance, we will offer you the chance to buy the car, or you could return it with no further payments to make. If that’s the case, you may also be entitled to a £250 Return to Dealer payment. For more information, visit motability.co.uk/pip.

If you would like to have a chat about the Scheme, and what it could mean for you and your family, we’re just a phone call away, so please don’t hesitate to get in touch.
