Leasing a scooter or powered wheelchair through the Motability Scheme
To explore our huge choice of scooters and powered wheelchairs, visit motability.co.uk/scooter or speak to one of our team on 0800 953 3060

We are Motability Operations Ltd, a company authorised and regulated by the Financial Conduct Authority. All Motability Scheme vehicles are leased to customers by us.
Welcome to worry-free mobility

With the Motability Scheme you can simply exchange part, or all of your mobility allowance, to lease a new scooter or powered wheelchair.

How it works

Our standard lease is over three years and payments are deducted from your qualifying mobility allowance every four weeks and paid directly to us by your benefit payment agency. Prices start from just £13.50 a week and there are over 400 products to choose from.

Simple all-inclusive leasing

Every lease is all-inclusive, which means breakdown assistance, tyre and battery replacement, servicing, maintenance and insurance are included in the price you pay.

Meeting your needs

Our priority is providing the most appropriate solution to meet your needs. Today over 640,000 customers enjoy one of our lease options. When you join the Scheme, we expect your product will meet your needs for the full length of the lease agreement; however if you have a good reason to terminate the agreement early, such as a change in your condition or lifestyle, we can be flexible with this.

£100 New Product Payment

If you are newly joining the Scheme during 2022, you’ll be eligible for a £100 New Product Payment when you collect your scooter or powered wheelchair. This means if you take delivery of your first product in 2022, or place an order during 2022, you will be eligible. Please note this payment is only available once per customer. Find out more at motability.co.uk
Allowances and the Scheme

If you receive one of the allowances listed below you can apply to join the Motability Scheme, or if you are the parent or guardian of a child aged three or over you can apply on their behalf. Only the person in receipt of the allowance can use the scooter or powered wheelchair.

You need to have at least 12 months remaining on your award when you apply to join the Scheme. If your allowance is due to end during your lease, you just need to make sure that the allowance is renewed with your benefit payment agency. However, if your award is not renewed, for whatever reason, you just hand the scooter or powered wheelchair back – you won’t be liable for any costs after the product is handed back.

If you have any questions regarding your award you should contact your benefit agency (see page 19).

Find out more about allowances and the Motability Scheme at motability.co.uk/allowances

Payment is organised for you

We will arrange for the relevant payments to be deducted from your mobility allowance every four weeks, then paid directly to us by your benefit payment agency. As most products cost less than your weekly allowance, you receive the remainder directly from your benefit payment agency to spend however you choose.

PIP reassessments

If you currently receive DLA and are invited for a PIP reassessment, as long as your application is successful and you are awarded ERMC of PIP, you will still be eligible to apply to join the Scheme.

If the DWP has already invited you to apply for a PIP reassessment, you will need to wait for the outcome before applying to join the Scheme.

For more information, visit motability.co.uk/pip

Allowances

- Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP)
- Higher Rate Mobility Component of Disability Living Allowance (HRMC of DLA)
- Enhanced Rate of the Mobility Component of Adult Disability Payment (Scotland)
- Higher Rate Mobility Component of Child Disability Payment (Scotland)
- War Pensioners’ Mobility Supplement (WPMS)
- Armed Forces Independence Payment (AFIP)

Please note that Attendance Allowance cannot be used to lease through the Motability Scheme.
Introducing the Motability Scheme online account

Sign up for an online account to flexibly manage your lease and have more control in keeping your information up to date.

With an online account you can sign in at any time to check important details and make changes to some of your key information.

It only takes a few minutes to sign up and once you’ve created an online account, you can enjoy a host of benefits designed to make it easier for you to look after your lease. Find out more at motability.co.uk/account
A simple all-inclusive lease package

To make leasing a scooter or powered wheelchair through the Motability Scheme as affordable and worry-free as possible, all of the essentials below are included in the price you pay.

- **Servicing and maintenance**
  To keep your scooter or powered wheelchair reliable and in good condition, all servicing and maintenance is included as part of our worry-free package.

- **Breakdown recovery**
  If you break down or get a puncture, our partners at Motability Assist will help get you and your scooter or powered wheelchair home so your dealer can carry out the necessary repairs.

- **Tyre replacement**
  There’s no need for you to worry about any punctures or damage to tyres, we will repair or replace them if there is a problem.

- **Battery replacement**
  Your scooter or powered wheelchair will come with a battery as standard, all you have to do is keep it charged. If anything goes wrong through normal everyday use, we will replace your battery free of charge.

- **Insurance cover**
  You are covered in case of an accident, damage or theft, with no excess to pay. You’re also covered for any damage caused by your scooter or powered wheelchair to other products, property or people.

- **Tailoring your choice with optional extras**
  Your lease package includes a weatherproof storage cover to protect your product when it’s not in use. However, if you already have a cover you can choose another accessory up to the value of £35.

- **Online account**
  Flexibly manage your lease with a Motability Scheme online account.
The peace of mind you get because it’s all sorted for you is fantastic.

Motability Scheme customer
Which scooter or powered wheelchair is right for you?

The Motability Scheme offers a choice of over 400 products, so there’s bound to be one that suits your needs.

Scooters

A scooter is probably the right choice if you can travel relatively independently, get on and off easily without assistance and are able to use a steering column with both hands. We offer different types of scooter, from small, easy to transport models to sturdier, road-legal models that are good for longer distances.

Powered wheelchairs

A powered wheelchair may be the right choice if you need mobility assistance throughout the day or around your home, if you don’t feel confident getting on or off seats, or if you can only operate joystick controls.

Things to consider when choosing a product

- Your height and weight
- How easy it is to get on and off
- Your typical journey types (hills, distance, public roads, kerbs etc)
- Seat comfort for longer journeys
- How solid or air filled tyres affect the comfort of the ride
- Where you could keep it at home and charge it up
- The amount of shopping you will carry
- Will you need to get the product through your front door?
- Will you need to get the product into a car?
- Can you easily reach the steering column or tiller?
- How your disability affects you now and in the future
Product reviews

We’ve reviewed some of the most popular products in each category. Read the reviews at motability.co.uk/scooterreviews
Your dealer will take care of everything

We want you to choose the scooter or powered wheelchair that’s right for you. That’s why we work with specially trained dealers in your area, who can visit you to discuss the products available. Throughout your lease, your chosen dealer will handle everything for you, including: servicing, maintenance and repairs.
How to find your nearest dealer

You can find your nearest dealer online at motability.co.uk/scooter or call 0800 953 3060. Feel free to talk to as many dealers as you like, and don’t feel obliged to place an order with the first dealer you speak to.

Once you have made your mind up, your dealer will place the order for you.

Helping you make the right decision

All Motability Scheme dealers will give you individual advice to help you choose the right product for you. Your chosen dealer will come to your home to assess your needs and see how the product will fit around your home and your lifestyle. They can bring a number of products for you to try; alternatively you can visit a dealer showroom to see a wider range of models.
How our prices work

Our prices are negotiated and updated every three months so that we can provide you with the best offers from each manufacturer.

The prices in this brochure are for orders placed between 1 October to 31 December 2022. Prices are the same across our dealerships, and the price at the time you apply is the price you pay, even if it changes before you collect your product.

Searching online

We recommend that you go online to motability.co.uk/searchscooters and use our search tool to browse the full range of over 400 products. Of course you can also just contact your local dealer to start your search.

Using our search tool

→ If you know the type of product you need: Start your search by selecting this category. For example, choosing large scooters will show you our range of over 90 products within this category.

→ If you’re not sure which category you need: Or, if you want to narrow your choice further, fill out the remaining search options with any specific requirements. For example, if you need a large scooter with a minimum battery range of 30 miles, suitable for someone weighing over 150kg, the tool will only display the suitable scooters.

→ Products matching your search: These are displayed underneath your search selections. Click on a product to see more details.
Can’t access our website?

Ask your dealer to bring a printout of our full price list when they come to demonstrate the products.
Snapshot of our scooters and powered wheelchairs

Here is just a small selection of some of the products available in each category. Your dealer has full details of all the products available or you can search the full range at motability.co.uk/searchscooters

Small scooters

You keep** £37.75 per week

---

*Max range is an estimation of the maximum distance possible on a full battery charge. Various factors including weight carried, terrain, and battery condition will affect this range. ** This is the amount of your higher rate mobility allowance which will continue to be paid to you by the DWP. This amount is based on the HRMC of DLA and ERMC of PIP weekly allowance rate of £64.50 from April 2022 and the amount you keep will increase if the DWP makes any future allowance increases. Prices are correct at time of going to print and are subject to availability. The Lease Agreement is with Motability Operations Ltd.
