This brochure is a summary version of ‘Your guide to leasing a Motability car’.

If you would like to receive the complete guide or find out more about Motability please call **0800 093 1000**.

How it works

With Motability you simply exchange your higher rate mobility allowance to lease a brand new car for 3 years.

All you will have to pay for is the petrol.

You don't have to be able to drive yourself. You can get up to 2 other people to drive for you.

There are hundreds of cars to choose from.

What is a lease?

A lease means that you can use the Motability car for 3 years and will give it back to us at the end of the agreement. You can then lease another car if you wish.

You can join Motability if you receive one of the following mobility allowances:

- The Higher Rate Mobility Component of the **Disability Living Allowance**
- The Enhanced Rate of the Mobility Component of **Personal Independence Payment**
- The **War Pensioners' Mobility Supplement**
- The **Armed Forces Independence Payment**

To check if you receive one of these mobility allowances, contact the Department for Work and Pensions helpline on **03457 123 456**.

This is what you get

Everything here is included:

✓ A new car of your choice every 3 years

✓ Insurance, servicing, repairs

✓ Full RAC breakdown assistance

✓ Tyre and windscreen replacement

✓ You can have up to 2 drivers

✓ You can drive up to 60,000 miles over 3 years

We take care of everything

● You can choose a new car every 3 years.

You can choose from a wide selection of cars including:

- Family sized cars
- Small city cars
- Large estate cars
- Wheelchair Accessible Vehicles

For some cars you will have to pay some money upfront which we call an Advance Payment.

But you can choose from over 400 cars where you have to pay nothing more than your weekly allowance.

Some cars will cost less than your weekly allowance leaving you some money to spend however you choose.

● Insurance

We include an insurance package covering up to 2 named drivers. You don't have to be one of the drivers.

This insurance will pay for repairs if you have an accident.

● Servicing and repairs

Motability will pay for regular servicing and repairs.

You will have no unexpected repair bills.

● Breakdown

If you break down you just have to phone the RAC on **0800 73 111 73**.

A trained mechanic can come out and try to fix your car and help you get home at no extra cost.

● Car tax

Motability will sort out the car tax for you.

With Motability you can drive 60,000 miles in 3 years. This will probably be much more than you need.

● **Adaptations**

If you need an adaptation to make your car more comfortable or safer these will be fitted at the start of the lease. Many adaptations will not cost you any extra.

There is a separate guide called 'Your guide to adaptations' which will tell you more or you can go to **motability.co.uk** to find more information.

Who can drive your car?

- Named drivers should live within 5 miles of your home
- Drivers aged under 25 are only allowed to drive certain cars
- Only 1 driver under age 21 is allowed and they must live at your address

Understanding the rules

You must make sure that:

- ✓ The car is only used for your benefit
- ✓ Only the named people can drive

● Deposits and Advance Payments

If you have to pay something towards your car you will need to pay before you collect your car.

You should keep your PIN in a safe place. You will need it when you collect your car.
